SUBJECT:

Hominations of Persons to Attend Defense Colleges; Advanced Management Course, Harvard University; and, Senior Officer School of the

Foreign Service

REFERENCE

Memo dtd July 31, 1958 fro DD/S to DD/S Components, with cc to Management Panel

I wish to recommend no one for any of these courses as of this time. My reasons are theses

a. Of the three people who might possibly qualify, have had all of the educatwo of them tion they should have as of now. The other one is not worth the investment.

- b. Except for Harvard, these courses do not fit Management Staff needs.
- c. Others who appear promotional are still too young, and also do not have the grade level required. In subsequent years, there might well be a recommendation.

Signed
